Expression of Interest

Your CUPE 411 Executive is looking for a team to organize our annual Christmas event.

The AdHoc committee has already been created for 2020 and we are now taking names of those that are interested in spearheading this team. If party planning is your thing then we want to hear from you!

Once the committee members are in place the Executive will provide the group with details from past events as well as what the expectation is moving forward (i.e. budget, venue type, etc..) in order to assist the planning for this year.

If you think that this is an opportunity you would like to take advantage of we would ask that you kindly email your name and contact information to unionoffice@cupe411.ca.

Deadline for submissions is **Friday, February 28, 2020**.
