

THE CUPE "QUARTERLY"

With the 2021/2022 school year clearly in our rear view the Union just wanted to send a **HUGE "Thank you"** to those of you that showed up to work and put your best foot forward each and every day, in what has been described as one of the most grueling school years to date.

While it is hard to find too many positives to shine a light on, we are pleased to announce that as of May we have shifted back to in-person General Membership meetings on Saturday's! The Skills, Training, and Enhancement Fund continues to see successful applicants be reimbursed for their approved expenses and the Union has bargaining dates set for the fall with our Employer.

The Union would like to recognize our members who have reached, or will reach, the following milestones this year.....
