BETWEEN:

**THE BOARD OF EDUCATION, SCHOOL DISTRICT NO. 33
(CHILLIWACK)** in the Province of British Columbia, hereinafter referred to
as the "EMPLOYER"

PARTY OF THE FIRST PART;

AND:

THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL NO. 411
Chartered by the Canadian Union of Public Employees and affiliated with the
Canadian Labour Congress, representing those employees who are affected by
this Collective Agreement and for whom it has been certified, hereinafter
called the "UNION"

PARTY OF THE SECOND PART.

WHEREAS it is the desire of both parties to this Agreement:

AND WHEREAS it is now desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an Agreement.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 1 – DEFINITIONS

- 1.1 **"Employee"** shall mean a person who is an "Employee" as defined in the Statutes of the Province.
- 1.2 **"Probationary Employee"** shall mean a person serving three (3) working calendar months from initial appointment as a Regular or School Term Employee to determine suitability for employment, (such period of time may be extended by mutual consent of both parties in writing). During the probationary period the new employee's transfer, lay-off, or dismissal shall be at the discretion of the employer. During the probationary period, employees shall not be entitled to the benefits provided by this Agreement except those benefits which an employee is entitled by statute.

- 1.4 **"School Term Employee"** shall mean an employee, full-time or part-time, who has successfully completed the probationary period and who is employed for the school term. Spring Break and Christmas school closures shall not be considered normal working days for school term employees.

Supervision Assistants hired after June 30, 2000 shall accrue casual seniority for the purposes of 8.1(b) – Selection Criteria.

- 1.6 **"Casual Employee"** shall be defined as an employee other than Probationary, Regular or School Term Employee.

A Casual Employee is employed to augment the regular staff or who is employed on a special project of limited duration not to exceed three (3) calendar months. Such periods of time may be extended by mutual consent of both Parties in writing.

A Casual Employee shall also be hired on a day to day basis to replace existing staff due to illness, leave of absence, Workers' Compensation leave or vacation.

Seniority shall accrue for all casual employees on a daily basis in accordance with Article 7 for the purposes of job postings only. "Casual Employees" shall only be entitled to those benefits expressly accorded them in the agreement and those benefits mandated by statute.

Temporary assignments to positions resulting from extended leaves of absence such as maternity leave, long term illness, Workers' Compensation or any other leave of absence granted under this Agreement where the duration of the leave is known to be longer than three (3) months, shall not be restricted to three (3) months but shall be for the duration of the leave granted. Such periods of time may be extended by mutual consent of the Parties.

ARTICLE 2 - MANAGEMENT RIGHTS

Except as otherwise provided in this Agreement the management, supervision and control of the Employer's operation and the direction of the working force shall remain the exclusive function of Management provided that such management and direction does not contravene the express provisions of this Agreement. ARTICLE 3 - UNION RECOGNITION

3.1 Bargaining Agency

The Employer recognizes the Canadian Union of Public Employees, Local 411, as the sole and exclusive collective bargaining agency for all of those employees covered by its certificate of bargaining authority except those so excluded by virtue of the Statutes of the Province and those persons mutually excluded. New employees shall become members of the Union immediately upon the completion of thirty (30) calendar days and shall maintain their membership in the Union as a condition of continuing employment. The Employer agrees to notify prospective new employees of this requirement.

4.2 Union Dues

The Employer agrees, upon receipt of a signed authorization from the employee, to the check-off of Union dues, fees and general assessment levied in accordance with the Constitution and/or By-Laws of the Union. The Union agrees to advise the Employer of the amounts of such Union dues and/or general assessments as may be determined from time to time by the said Union.

The Employer upon receipt of such advice from the Union, shall thereupon deduct from the

earnings of the employees such dues, fees and general assessments and shall forward to the Union the total of such amounts deducted, together with amendments to the list, of those employees from whom such deductions were made, such deductions to be remitted to the Union Treasurer not later than the fifteenth (15th) day of the following month.

4.3 Monthly Union Meetings

Due to the nature of shift work, employees on the afternoon shift shall be allowed time off to attend one regular Union meeting per month; provided however, the employee's shift will be completed and the building will be ready for the next day's regular school activity. In certain schools designated by the Employer, one employee will remain on shift during the regular school year.

ARTICLE 5 - LABOUR MANAGEMENT RELATIONS

5.1 Representation

No individual employee or group of employees shall undertake to represent the Union at meetings with the Employer without proper authorization of the Union.

5.2 (a) Local Bargaining Committee

A local Bargaining Committee shall be appointed and consist of not more than *five (5)* members appointed by the Employer, and not more than *five (5)* members appointed by the Union. The Union will advise the Employer of the Union nominees to the Committee. The parties agree that additional resource people may be brought in for meetings from time to time, as required.

(b) Function of Bargaining Committee

The Bargaining Committee shall meet under the terms, conditions and time constraints of the Statutes of the Province.

All matters of mutual concern pertaining to performance of work, operational problems, rates of pay, hours of work, collective bargaining, and other working conditions, etc. shall be referred to the Bargaining Committee for discussion and settlement.

(c) Meeting of Committee

In the event either party wishes to call a meeting of the Bargaining Committee, the meeting shall be held at a time and place fixed by mutual agreement. However, such meeting must be held not later than six (6) calendar days after the request has been given, unless otherwise mutually agreed.

5.3 Representative of Canadian Union

The Union shall have the right at any time to have the assistance of representatives of the Canadian Union of Public Employees when dealing or negotiating with the Employer. Such

representatives shall have access to the Employer's premises in order to investigate and assist in the settlement of a grievance. On all such occasions, the Employer shall be informed by the representative of his/her presence and the reason for it.

5.4 Labour/Management Committee

(a) Purpose of the Committee

In order to foster better relations between the Parties, the purpose of the Committee shall be to discuss matters of mutual concern including matters pertaining to the improvement of the quality of work life in the District. (c) Chair

The Chair of the Labour/Management Committee shall alternate between the Employer representative and a representative of the Union, or as mutually agreed.

(d) Meetings

Meetings of the Committee shall be held at the call of the Chair but in any event, not less often than four (4) times a year. Meetings shall be held as promptly as possible upon request in writing of either Party.

(e) Minutes

Minutes shall be recorded at each session and shall be reviewed and adopted at following sessions. The minute taker shall alternate between the Employer and the Union or as mutually agreed.

(f) Scope of the Committee

The Committee shall not have the power to bind the Union or its members, or the Employer to any decision or conclusion reached in discussion.

The Committee shall not have jurisdiction over any matter contained in this Collective Agreement, including its administration or renegotiation.

The Committee shall not supersede the activities of any other committee of the Union or the Employer.

5.5 Time Off for Meeting

Any representative of the Union on labour management joint Committees who is in the employ

of the Employer, shall have the privilege of attending joint Committee meetings held within working hours without loss of remuneration.

5.6 Bulletin Boards

The Employer shall provide bulletin boards which shall be placed so that all employees will have access to them and upon which the Union shall have the right to post notices of meetings and such other notices as may be of interest to the employees.

5.7 Technical Information

The Employer shall notify the Union of all job posting appointments, as well as approved leaves of absence for periods of six (6) months or greater. The Employer shall also provide on or before March 31 annually, along with the seniority list referred to in Article 7.8, an accurate listing of all current casual and temporary employees as at December 31 of the previous year.

The Employer shall make available to the Union, on request, information required by the Union for purposes of bargaining, such as job descriptions, positions in the bargaining unit, job classifications, wage rates, pension and welfare plans and other relevant documents which the employer has readily available, provided always that such information requested is not confidential and is the property of the Employer and that the Employer has a legal right to disseminate it.

ARTICLE 6 - GRIEVANCE PROCEDURE

The Parties are committed to informal problem-solving prior to the formal grievance procedure. Whenever possible and practical, questions or differences will be taken up verbally by the employee with the appropriate manager or administrator.

6.1 Right to Have Shop Steward Present

(a) An employee shall have the right to have his/her steward, or Union Representative of his/her choice present at any discussion where supervisory personnel intend it to be the basis of formal disciplinary action. Where a supervisor intends to interview an employee for disciplinary purposes which will become part of his/her employment record, the supervisor shall so notify the employee in advance of the purpose of the interview in order that the employee may contact his/her steward to be present at the interview.

(b) Lists

The Parties shall exchange twice yearly in January and September a list of Supervisors/Shop Stewards showing names and locations of such individuals.

6.2 Application

Should any difference arise between the persons bound by the Agreement concerning its interpretation, application, operation, or any alleged violation thereof, including any questions governing the dismissal or suspension of an employee bound by the Agreement, and including

any question as to whether any matter is arbitrable, such question or difference shall be final and conclusively settled without stoppage of work in accordance with the following steps:

6.3 Procedure

(a) Step 1

Such difference or grievance shall be stated in writing and presented by the employee and a representative of the Union in person to the *appropriate manager or administrator* within five (5) working days directly following the date when the grievor became aware of the grievance.

(b) Step 2

If the difference is not satisfactorily settled under Step 1 then, within two (2) working days after the completion of Step 1, the employee shall submit the grievance in writing to the Superintendent of Schools or his/her designate.

(c) Step 3

If the grievance is not satisfactorily settled under Step 2, within five (5) working days of the submission the grievance shall be referred to the Joint Grievance Committee which shall consist of three (3) Union members and three (3) members from the District. The Committee shall meet within (10) working days of the grievance's referral to Step 3. If a settlement is not reached within seven (7) working days of this meeting, the matter may be sent to arbitration.

(d) Arbitration

- (i) A Board of Arbitration shall be formed to hear the grievance. Either party shall notify the other, in writing of the question(s) to be arbitrated and the name and address of its chosen representative on the Arbitration Board. After receiving such notice and statement, the other party shall within five (5) calendar days appoint its representative on the Arbitration Board and give notice in writing of such appointment to the other party. Such representatives shall endeavour to select a third member who shall be Chairman. Should the representatives fail to select such a third member within five (5) days from the appointment of the last representative, either party may request the Minister of Labour of the Province of British Columbia to appoint a Chairman. The expenses and compensation of the representatives selected by the parties shall be borne by the respective parties. The expenses and compensation of the Chairman shall be shared equally between the parties.
- (ii) If there is mutual agreement between the Parties, a single arbitrator may be substituted for the Arbitration Board established in this Article. The expenses of the arbitrator shall be shared equally between the Parties.
- (iii) Within fourteen (14) calendar days following the establishment of the Board of Arbitration, it shall report its decision on the grievance. The majority decision of

the Board shall be final and binding on all persons bound by this Agreement.

- (iv) In the event the Board of Arbitration finds that an employee has been dismissed or suspended for other than proper cause, the Board of Arbitration may direct the Employer to reinstate the employee and pay to the employee a sum equal to his/her wages or salary lost by reason of such suspension or discharge, or such lesser sum as in the opinion of the Board of Arbitration is fair and reasonable or make such other order as it considers fair and reasonable having regard to the terms of the Collective Agreement between the parties.

(e) Time Limit

Wherever a stipulated time is mentioned in this Article, the said time may be extended by mutual consent of the parties in writing.

If a grievance has not advanced within the time limits set out above, the grievance shall be deemed to be abandoned, and all rights of recourse to the grievance procedure shall be at an end.

- (f) The Employer may raise issues it wishes resolved at Step 3 providing the issues are raised within fourteen (14) days of the Employer becoming aware of the matter and shall notify the Union in writing clearly identifying the issue at hand and providing the Union with sufficient time to investigate. Dates for such process shall be mutually agreed upon by both parties.

6.4 Expedited Arbitration

- (a) Either party may request a grievance be dealt with under the Expedited Arbitration Procedures. Such request shall be confirmed in writing. The party receiving such a request shall respond within five (5) working days and confirm their response in writing. A grievance shall not be considered for Expedited Arbitration until the grievance procedure under the Collective Agreement has been exhausted.
- (b) Those grievances agreed to be suitable for expedited arbitration shall be scheduled within one calendar month.
- (c) The location of the hearings is to be agreed by the parties.
- (d) All presentations are to be short and concise and are to include a comprehensive opening statement. The parties agree to make limited use of authorities during their presentations.
- (e) Prior to rendering a decision, the arbitrator may assist the parties in mediating a resolution to the grievance. If this occurs, the cost will be borne in accordance with Section 103 of the B.C. Labour Relations Code.
- (f) Where mediation fails, or is not appropriate, a decision shall be rendered as contemplated herein.
- (g) The decision of the arbitrator is to be completed and mailed to the parties within ten (10)

working days of the hearing.

- (h) The parties shall equally share the costs of the fees and expenses of the arbitrator.
- (i) The Arbitrator shall have the power and authority to conclusively settle the dispute and his/her decision shall be binding on both parties. The Arbitrator shall not have the power to change this agreement or to alter, modify or amend any of its provisions. However, the Arbitrator shall have the power to dispose of a grievance by any agreement which it deems just and equitable.
- (j) The parties agree that it is not their intention to utilize Section 104 of the Labour Relations Code as long as the above noted provisions are in effect.

ARTICLE 7 - SENIORITY

7.1 Seniority Defined

Seniority is defined as the length of service of an employee with the Employer. Seniority shall apply bargaining unit wide and shall be effective the date of hire upon attaining a posted position.

7.2 Casual Seniority

Casual employees, *and supervision assistants hired after June 30, 2000*, accrue seniority by the number of days worked to a maximum of 520 days. This seniority shall be applicable *in competing with other casual employees and supervision assistants* for posted positions as per Article 8.1.(b)(i).

To establish a regular seniority date, a casual employee who is successful in attaining a posted *regular or school term* position shall upon completion of the probationary period be credited with all days worked in the 24 calendar months prior to attaining a posted position.

7.3 Mobility of Seniority

An employee who transfers or is transferred from one Division of the Bargaining Unit to another, for any reason, shall retain his/her service seniority from his/her original date of employment.

7.4 Probationary and Casual Employees

Probationary and casual employees applying for posted positions shall be entitled to have their days of actual work for the Employer considered when evaluating their suitability for the position, although they have no seniority under this Article. After completion of the probationary period however, seniority shall be cumulative for the 24 month period immediately preceding the probationary period for the purpose of promotion.

7.5 No Loss of Seniority

An employee shall not lose seniority rights if he/she is absent from work because of sickness,

accident, layoff or leave of absence approved by the Employer.

7.6 Loss of Seniority

An employee shall only lose his/her seniority in the event:

- (a) He/she is discharged for just cause and is not reinstated.
- (b) He/she resigns.
- (c) He/she is absent from work in excess of five (5) consecutive working days, without sufficient cause or without notifying the Employer, unless such notice was not reasonably possible.
- (d) He/she fails to return to work following a lay-off within seven (7) calendar days after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed of his/her current address.
- (e) Employees who are laid off and have less than one (1) year's continuous service shall retain their seniority rights for six (6) months. Employees who are laid off and have more than one (1) year's continuous service shall retain their seniority rights for one (1) year.
- (f) Loss of seniority shall mean loss of all rights as an employee.

7.7 Transfers Outside Bargaining Unit

No employee shall be transferred to a position outside the Bargaining Unit without his/her consent. An employee who consents to transfer, for any reason, to a position which he knows to be outside the Bargaining Unit shall not then initiate proceedings to have that position included in the Bargaining Unit.

7.8 Seniority List

Up to date seniority lists for regular and casual employees, as at December 31 and June 30 will be sent to the Union and posted electronically on or before March 31 and August 31 annually. The Employer shall maintain a seniority list showing the seniority date for promotion purposes.

7.9 Seniority Tie Breakers

Where the seniority of two (2) or more regular or school term employees is equal, the employee with the earliest date of hire as a probationary employee shall be deemed to have the greatest seniority. Where the date of hire is equal, the employee with the earliest date of application for regular or school term employment shall be deemed to have the greatest seniority. This clause will be effective for employees hired after the date of ratification.

ARTICLE 8 - STAFF CHANGES

8.1 Appointments

(a) Job Posting

- (i) Where vacancies exist or new positions are created, notice thereof will be posted *electronically* or on the Bulletin Boards and a copy *provided* to the Secretary of the Union, a period of eight (8) working days before the appointment is made. Such posting and notice shall contain the following information: nature of position, required ability, location, shift, hours of work, wage rate or salary range. The job description for the position shall be attached to the job posting. The Employer agrees to advise the Secretary of the Union and unsuccessful applicants in writing of the name(s) of the successful applicant(s) within five (5) working days of the appointment. Postings for Utilityperson vacancies will indicate the major emphasis of duties, e.g. buildings or grounds, while remaining flexible, and Utilityperson on staff may apply for the vacancy.

(ii) Leave of Absence Replacements

Leaves of absence of six (6) months or greater which commence prior to the start-up of school or end on June 30th will be posted provided that at least thirty (30) days notice has been given. In the case of serious, long-term illness which will be of six (6) month's duration or greater, the period of notice shall be waived. If any vacancy arises from the above postings, it may be filled with a casual employee.

(b) Selection Criteria

In making appointments, promotions and transfers, the required knowledge, ability and skills for the position shall be the primary consideration, and where two (2) or more applicants are equally capable of fulfilling the duties of the position, seniority, as defined in this Agreement shall be the determining factor. In all instances present employees shall be given preference when suitably qualified.

- (i) The casual seniority and seniority earned as a Supervision Assistant shall be applicable after the Employer has considered regular, school term and probationary employees with a greater number of days of employment with the Employer.
- (ii) *Clerical staff who are transferring positions, where the qualifications within the job descriptions are the same, will be deemed qualified.*

In the event of a grievance, the Employer bears the onus of proof that the selection decision was consistent with this provision.

(c) Trial Period

In the event an employee is promoted or transferred to a new position, he/she shall be considered to be on trial for a period of not more than forty-five (45) working days. If, at

Re: JOB EVALUATION – TERMS OF REFERENCE

The terms of reference of the Job Evaluation Plan signed June 25, 1992 were to establish wage rates to reflect the relative value of the work performed, “equal pay for work of equal value”. The parties acknowledge and agree that:

- In the past, the parties have mutually failed to maintain representatives who are trained in job evaluation and, consequently, job descriptions and ratings have not been maintained with currency.
- The parties will identify three CUPE 411 representatives and three management representatives who will be trained in job evaluation by a mutually satisfactory job evaluation consultant. Wherever possible both CUPE and management reps will be trained together. Training will occur no later than June 30, 2012.
- Management or CUPE may request training be made available every three years.
- CUPE and management may submit names of additional members to be trained in job evaluation. These individuals will be accepted on the basis of space and resource availability.
- A committee of one CUPE 411 representative and one management representative, selected from those individuals who have received training above, will be formed to meet on a regular basis to review existing job descriptions and ratings and to evaluate reclassification requests.
- When the committee reaches impasse a trained member from management and a trained member of CUPE will join the committee to review the progress and assist in resolving the impasse. If the committee continues to be at impasse the process outlined in Article 7 – Settlement of Disagreement of the Job Evaluation Plan Terms of Reference shall be used to resolve the disagreement.
- The parties agree that the joint committee will review a minimum of 10% of existing job descriptions annually.
- In order to ensure that the committee progresses in a timely manner through the review of all job descriptions and the evaluation of reclassification requests received, the two person committee will meet for four (4) hours each month, excepting the months of July and August, for the purpose described above. The committee will use this time to complete as many evaluations and reclassifications as possible each year.
- Any changes that arise out of the job evaluation process will become green or red circled

positions. Green circled positions are those which fall below the targeted rate and red circled positions are those which are above the targeted rate.

- New green circled positions identified after July 1, 2004 will move to targeted rates July 1, 2006. There will be no retroactivity for those positions.
- New red circled positions identified after July 1, 2004 will retain their current rate but will receive no increases until the targeted rate for the position reaches the red circled rate. When a red circled position is filled it will be filled at the targeted rate. This procedure will be in compliance with Article 6.3(e) of the Job Evaluation Plan Terms of Reference.
- Existing green circled positions will be addressed through future negotiated increases or other mutually agreed to means. No retroactive pay will be applied during the implementation of the plan (all positions reach targeted rates).

Re: EDUCATION ASSISTANT TRANSFERS

This Letter of Understanding only applies to *Education* Assistants.

This Letter of Understanding is intended to address aspects of service delivery requirements specific to the "Special Needs" employees of the bargaining unit which have evolved as a result of the "integrated school system" now in place.

It is recognized the process has not yet stabilized and the "student specific" service relationships as well as "special needs programs" are not paralleled in other areas of the bargaining unit.

This letter is entered on a provisional basis for the term of this Collective Agreement in effort to address or alleviate potential differences in interpretation of provisions of the Collective Agreement generated by the unique demands of administration of the "Special Needs" programs.

This letter will be reviewed on the anniversary of the date of signing or at the end of the period of this Collective Agreement, whichever is sooner, and will be extended only by mutual agreement of the Parties. (Union and Employer.)

Procedure:

1. The Employer will determine known *Education* Assistant or other "Special" needs program employees' positions available for the following September, on or before May 15th and will notify the Union by May 15th.
2. Employees of the Program willing or wishing to transfer to another position within the program shall identify their desire or intent by or prior to May 15th, for the following September.

Such indication will not be interpreted as intent to "bump".

3. Representatives of the Employer and Canadian Union of Public Employees shall meet during the week immediately after May 15th to review the list of current positions (*Education* Assistants, etc.) and the September list of such positions. The representatives shall consider transfer requests as part of the process.
4. All "Special Needs" employees whose assignments are changed in any way will be notified by or before June 15th. Seniority in the bargaining unit and seniority in specific programs will be recognized during the transfer/reassignment process. After the transfer/reassignment process is complete, any remaining positions will be posted. If there are fewer positions available than qualified "special needs" employees available, then lay-off notice will be given.

5. September Adjustments

If it is determined by the Employer that a new position is required, it will be posted in accordance with Article 8.1(a), as will any resulting vacancies.

If a position is eliminated during the previous transfer/reassignment process is reinstated prior to October 15th, the displaced employee shall have the opportunity to return to that position before it is filled.

If there are further adjustments needed, a shortened version of the transfer/reassignment process will be used in order to complete any reassignment by October 15th.

Re: TEMPORARY MAINTENANCE POSITIONS

Introduction

To create a degree of continuity and allow various members of CUPE Local 411 varied maintenance work exposure, it is proposed that some temporary staffing *may* be conducted from within the Union.

Aim

To outline in proposal form, guidelines for temporary maintenance positions available to members of CUPE Local 411.

Temporary Staffing

All areas of Maintenance, including Utilityperson and Tradesperson positions, where a need for temporary staffing in excess of thirty (30) calendar days occurs, *may* be considered. These temporary positions may be created by crew project work, Workers' Compensation situations, or other normal staffing action.

Frequency of Staffing

The number of temporary positions to be filled from within the Union at any one time shall be at the discretion of the Employer.

Selection of Temporary Staff

Selection of CUPE Local 411 staff for the specific temporary maintenance positions will be at the discretion of the Manager of Operations with final approval being provided by the Secretary-Treasurer.

Criteria to be considered during selection will be past experience, compatibility, and interest. For staffing of temporary positions, seniority will not be considered. This Agreement on seniority shall not set a precedent.

Temporary positions will be staffed from the summer eligibility list or by an offer of temporary employment to be made by the Manager of Operations.

Rate of Pay

Temporary Maintenance positions shall be paid at the applicable rate for the period of

employment. Qualified tradespersons appointed to temporary tradespersons positions shall be paid at the Tradesperson rate on producing a qualified trades ticket.

Mobility and Notice

Because of the nature of temporary staffing, little notice will be given as positions become available. It is not intended to post any temporary positions for the usual eight day period.

CUPE Local 411 employees are to be returned to their previous position and location without loss of seniority after a term of temporary employment.

Staffing a position from temporary to permanent will be done as per Article 8, Section 1 of the Collective Agreement.

The Parties agree as follows:

It is understood and agreed that many issues relating to employer's and employees' rights and obligations in the areas of layoffs, recalls and bumping (particularly Article 8.2, (a), (b), and (d) as well as the Letter of Understanding relating to the Bumping Procedure and Education Assistant Transfers) are of mutual concern and interest as between the union and the employer. Accordingly the union and employer agree to the forming of a working group (the Committee) to examine improvements to, and a better integration of, the provisions so related.

The Committee will prepare terms of reference that will be submitted to the parties on or before August 31, 2015, for ratification.

The Committee is to comprise an equal number of employer and union representatives as agreed between the parties. The Committee is advisory only and has no authority except to make recommendations or observations to the respective parties on or before August 31, 2015, for consideration in preparation for collective bargaining. Such recommendations are to remain confidential and are non-binding.

This agreement is not intended to, nor may it, interfere with any and all other processes that the parties may be involved.

This does not preclude the creation of new full time or part time EA positions.
- b) In order to facilitate the creation of full time jobs, the Parties encourage the bundling of duties.
- c) In order to promote continuity of student coverage consideration will be given to creating positions of equivalent length. For clarity, shifts scheduled for a duration not ending in a whole hour or half hour, will be increased to the next half hour.
- d) Consideration may be given to the establishment of itinerant positions to enhance services to students with special needs and provide for the opportunity to effectively deploy EA's in circumstances of changing enrollment throughout the school year.
- e) Support staff local unions and Boards of Education will formulate a plan for the above funds. Plans for full time jobs for EA's are to be accompanied by job descriptions as per existing SSEAC procedures in accordance with the Collective Agreements.
- f) SSEAC will receive the jointly agreed plans from school districts and locals.
- g) If disputes arise regarding the implementation of this agreement the matter will be referred to the SSEAC.
- h) Should SSEAC fail to resolve the issue to the satisfaction of the referring parties the matter may be sent by either party to mediation using a mutually agreed upon mediator.
- i) If permitted by legislation and regulation, a one-time allocation of \$2.5 million from these funds, on or after July 1, 2015, will be provided to the SSEAC Skills Enhancement Fund to be distributed to school districts for job related EA training according to established procedures. The Parties agree to write a joint letter to the Ministry requesting that any enabling changes to legislation and regulation be made to allow this to occur.

8. PEBT

- a) Date adjustment for the annual funding of the PEBT LTD plan:

Change the date of the annual funding payment of \$19,428,240 provided by the Ministry of Education from January 1 to April 1 of each year, commencing April 1, 2015. Thereafter the Ministry of Education will provide the PEBT with \$19,428,240 each April 1.

The annual contribution period will continue to be based on the calendar year.

Recognizing the impact on interest earnings as a result of the three (3) month delay in 2015, the PEBT will be provided with a one-time interest payment by the Ministry of Education of \$300,000 on January 2, 2015.

b) Employee Family Assistance Program (EFAP) services and the PEBT

The Parties request that the PEBT Board undertake a review to assess the viability of administering all support staff EFAP plans.

9. Shared Services

The Parties will write a joint letter to the Ministry seeking agreement to include representatives from the support staff unions in a consultation process involving shared services undertakings that may have an impact on support staff positions.

10. Demographic, Classification and Wage Information

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

11. Standardized Job Evaluation Study

The Parties will establish a provincial joint job evaluation steering committee (the JE committee) within thirty (30) days following the signing of this framework agreement. The committee is responsible to create a provincial job evaluation plan which may include a regional or local approach. The JE tool will be based upon the CUPE gender neutral job evaluation plan. The Parties agree the plan can be modified to fit the needs of the K-12 sector.

The committee will report out to the Parties at key milestones during the development of the plan. Should any concerns arise during the development they will be discussed and resolved by the Parties at that time.

Upon successful completion of the plan the Parties will identify one local in each of the seven established CUPE regions to pilot the plan prior to full implementation.

12. Job Evaluation Fund

To fund the development work of the JE committee during 2014 the Parties agree to a one-time allocation of \$50,000 from SSEAC.

To facilitate the implementation of the provincial job evaluation plan a fund will be established within SSEAC with an initial one-time allocation of \$250,000 on July 1, 2015 and annually each year thereafter during the term of the framework agreement, for a total of \$1,000,000 in one-time

funding.

In addition to the one-time allocations, ongoing annual funds of \$900,000 will be added to the job evaluation fund for implementation purposes at January 2, 2019. Any residual ongoing funds that are available after the implementation of the standardized benefit plan will be added to the job evaluation fund.

13. Provincial Bargaining

The parties agree to amend and renew the December 14, 2011 Letter of Understanding for dedicated funding of \$200,000 to the K-12 Presidents' Council to facilitate the next round of provincial bargaining. This funding will be allocated as of July 1, 2016.

14. Unpaid Work

In accordance with the *Employment Standards Act*, no employee shall be required or permitted to perform unpaid hours of work.

15. Workload Concerns

The Parties agree that employees should be provided with a reasonable workload. Employees with workload concerns are encouraged to bring these concerns to their supervisor or union in order that the concerns can be addressed.

16. Modified Calendar

The parties recognize calendar changes are an area of concern for local support staff unions. For future calendar amendments during the term of the collective agreement the Parties agree to review and compile best practices on existing modified calendars.

The Parties recommend that where boards of education are considering making calendar changes that may have an impact on the income of support staff employees, the support staff union will have the opportunity to provide input prior to the decision being made.

Dated this 7th day of June, 2014.

The undersigned bargaining representatives agree to recommend this letter of understanding to their respective principals.

Definitions

1. In this Letter of Agreement:

“Collective agreement year” means each twelve (12) month period commencing on the first day of the renewed collective agreement. For example, the collective agreement year for a collective agreement that commences on April 1, 2014 is April 1, 2014 to March 31, 2015 and each period from April 1 to March 31 for the term of the collective agreement.

“Economic Forecast Council” means the Economic Forecast Council appointed under s. 4 of the *Budget Transparency and Accountability Act*, [S.B.C. 2000] c. 23;

“Forecast GDP” means the average forecast for British Columbia’s real GDP growth made by the Economic Forecast Council and as reported in the annual February budget of the government;

“Fiscal year” means the fiscal year of the government as defined in the *Financial Administration Act* [1996 S.B.C.] c. 138 as ‘the period from April 1 in one year to March 31 in the next year’;

“Calendar year” Is a twelve (12) month period starting January 1st and ending December 31st of the same year based upon the Gregorian calendar.

“GDP” or “Gross Domestic Product” for the purposes of this LOA means the expenditure side value of all goods and services produced in British Columbia for a given year as stated in the BC Economic Accounts;

“GWI” or “General Wage Increase” means a general wage increase resulting from the formula set out in this LOA and applied as a percentage increase to all wage rates in the collective agreement on the first pay day after the commencement of the eleventh (11th) month in a collective agreement year;

“Real GDP” means the GDP for the previous fiscal year expressed in constant dollars and adjusted for inflation produced by Statistics Canada’s Provincial and Territorial Gross Domestic Product by Income and by Expenditure Accounts (also known as the provincial and territorial economic accounts) and published as “Real Gross Domestic Product at Market Prices” currently in November of each year.

The Economic Stability Dividend

2. The Economic Stability Dividend shares the benefits of economic growth between employees in the public sector and the Province contingent on growth in BC's real GDP.
3. Employees will receive a general wage increase (GWI) equal to one-half (1/2) of any percentage gain in real GDP above the forecast of the Economic Forecast Council for the relevant calendar year.
4. For greater clarity and as an example only, if real GDP were one percent (1%) above forecast real GDP then employees would be entitled to a GWI of one-half of one percent (0.5%).

Annual Calculation and publication of the Economic Stability Dividend

5. The Economic Stability Dividend will be calculated on an annual basis by the Minister of Finance for each collective agreement year commencing in 2015/16 to 2018/2019 and published through the PSEC Secretariat.
6. The timing in each calendar year will be as follows:
 - (i) February Budget – Forecast GDP for the upcoming calendar year;
 - (ii) November of the following calendar year – Real GDP published for the previous calendar year;
 - (iii) November - Calculation by the Minister of Finance of fifty percent (50%) of the difference between the Forecast GDP and the Real GDP for the previous calendar year;
 - (iv) Advice from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend.

7. For greater clarity and as an example only:

For collective agreement year 3 (2016/17):

- (i) February 2015 – Forecast GDP for calendar 2015;
- (ii) November 2016 – Real GDP published for calendar 2015;
- (iii) November 2016 - Calculation of the fifty percent (50%) of the difference between the 2015 Forecast GDP and the 2015 Real GDP by the Minister of Finance through the PSEC Secretariat;
- (iv) Direction from the PSEC Secretariat to employers' associations, employers and unions of the percentage allowable General Wage Increase, if any, for each bargaining unit or group with authorization to employers to implement the Economic Growth Dividend
- (v) Payment will be made concurrent with the General Wage Increases on the first pay period after respectively May, 1, 2016, May 1, 2017, May 1, 2018 and May 1, 2019.

Availability of the Economic Stability Dividend

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K -12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.

**Re: BC PUBLIC EMPLOYERS' AND SCHOOL BOARDS WHO ARE
SIGNATORIES AND SUPPORT STAFF UNIONS WHO ARE
SIGNATORIES**

The parties to this Letter of Understanding are the BC Public School Employers' Association (BCPSEA), school boards who are signatories to this LOU, and the support staff unions who are Signatories to this LOU.

The terms set out below represent a full and final settlement of all outstanding cost issues between the parties who are signatories to this LOU. All outstanding cost demands not specifically addressed below are deemed to be withdrawn.

Subsequent to the execution of this document, the local parties will prepare and execute a Memorandum of Agreement incorporating the terms set out herein, together with any other non-cost issues agreed to between the parties.

It is understood and agreed that the obligations of school districts set out in this Letter of Understanding shall be of no force and effect unless a collective agreement has been reached by the affected local parties prior to June 30, 2006, and subsequently ratified.

Term

July 1, 2006 to June 30, 2010

General Wage Increase

July 1, 2006	2%
July 1, 2007	2%
July 1, 2008	2%
July 1, 2009	2%

Incentive Payment

Should the parties conclude an agreement by June 30, 2006 and the settlement is subsequently ratified, each bargaining unit member who is an employee of the School District at the earlier of the date of ratification or June 30, 2006 shall be eligible to receive a one time lump sum incentive payment.

The following principles for distribution shall guide the parties in the distribution of this one-time funding:

- The incentive payment shall be up to \$ 3,700 for each full-time equivalent employee and shall be pro-rated for part-time employees.
- For the purpose of the determination of the amount of the incentive payment, a full-time equivalent employee is an employee who worked on a full-time basis for the period of July 1, 2005 to June 30, 2006. For the purposes of this payment, “full-time” means the greater of 35 hours per week or the definition of “full-time” employee set out in the collective agreement. If ratification occurs prior to June 30, 2006, the incentive payment would be based from September 1 2005 to the date of ratification. The incentive payment for an employee who worked less than full-time over this period shall be pro-rated for the fraction of full-time work over this period that the employee worked.
- The one-time payment is subject to normal statutory deductions.
- Time spent by employees on the following leaves shall be considered as time worked for the purpose of calculating the amount of an employee’s incentive payment:
 - maternity or parental
 - short-term disability
 - long-term disability that commenced within the twelve (12)-month period ending on the incentive eligibility date
 - leaves granted to employees in receipt of workers’ compensation benefits

The incentive payment shall be paid to employees as soon after the date of ratification as is practicable for the institution to determine and pay the payment amounts to employees. The employer shall make every reasonable effort to make the incentive payment to employees no later than June 30, 2006.

Subject to the allocated funding above, the local and the district may also choose to allocate the funds in a manner consistent with the district’s staffing structure.

These processes will include a requirement that Districts and local unions seeking to access the funds provide the Committee with:
 - a. an employee demographic analysis; and

Fiscal Dividend

33. Each Memorandum of Agreement shall include a Letter of Agreement for a Fiscal Dividend Bonus.

THE PARTIES AGREE AS FOLLOWS:

Having agreed the term of the Collective Agreement to be from July 1, 2006 to June 30, 2010 a Fiscal Dividend Bonus may be paid from a one-time fund (the "Fund") generated out of monies, in excess of \$150 million, surplus to the BC government, as defined in the Province's audited

financial statements, for the fiscal year 2009-10.

1.0 Fiscal Dividend:

- a) If fiscal dividend funds are determined to be available, upon receipt of funding from the government, a fiscal dividend will be paid to employees as soon as practicable for the school district to calculate the individual payment amounts and distribute the funds.
- b) The quantum of the Fund accessible for the parties to this agreement will be based on the Province's audited financial statements as at March 31 2010.

The Fund will be determined as follows:

- i. The calculations will be based on the surplus, as calculated before deduction of any expense associated with the Fiscal Dividend Bonus, achieved in fiscal 2009-10, as published in the audited financial statements for that fiscal year, provided that the surplus is in excess of \$150 million.
- ii. Only final surplus monies in excess of \$150 million will be part of the Fund, and the total quantum of the Fund for the entire public sector (including all categories of employees) will not exceed \$300 million.
- iii. The quantum of the Fund will be constrained by the proportion of the public sector that is eligible to participate in the Fiscal Dividend Bonus; i.e., 100% of the Fund will be available if 100% of all categories of employees in the public sector under the purview of the Public Sector Employers' Council participate, but if a lesser number participate, a proportionately lesser amount of the Fund will be available.
- iv. Additionally, the Fund will be proportioned among all groups of public sector employees by ratio of group population to total population participating.

1.2 Each bargaining unit member who is a regular employee of the School District on March 31, 2010 shall be eligible to receive the Fiscal Dividend Bonus.

1.3 The fiscal dividend payment shall be an amount as described in clause 1.2 above for each regular full time equivalent employee and shall be pro-rated for regular part time employees. For the purpose of the determination of the amount of the fiscal dividend payment, a full time equivalent employee is a regular employee who worked on a full time basis for the period September 1, 2009 – June 30, 2010. The fiscal dividend payment for a regular employee who worked less than full time over this period of time shall be pro-rated based on the actual straight-time hours worked as a percentage of full time hours. Time spent by employees on the following leaves shall be considered as time worked for the purpose of calculating the amount of an employee's dividend payment:

- All leaves with pay
- Maternity and parental leave
- All unpaid medical leaves that commenced between July 1, 2009 and June 30, 2010

This 30th day of June, 2012.
