

Canadian Union of Public Employees
Local 411 - Chilliwack

Bargaining Bulletin

September 5, 2019

Members of CUPE 411,

June 30, 2019 brought an end to our existing Collective Agreement with the Chilliwack School District. This agreement is still in place as your local CUPE 411 Negotiating team works with our Employer (The Chilliwack School District) to finalize a new Collective Agreement for this 3-year term.

With Provincial bargaining already completed, your CUPE 411 Negotiating Committee is currently at the table with the Employer. The CUPE 411 Negotiating team and our Employer (The Chilliwack School District #33) have both presented and completed the review of the respected proposal packages. Future dates are planned to continue local bargaining.

School District employees are unique in that we bargain at both the Provincial level (“big ticket” items such as wages and benefits) AND at the Local level (items such as Leaves, Vacation, Job Security, etc.)

Your Negotiating Committee is made up of one representative from each of our five (5) divisions. The Union President, or their designate, is also part of the Local’s Bargaining team.

The CUPE 411 Negotiating Committee

- Vice President: Tracey O’Hara
- Assistants Division: Glenda Johnson
- Clerical Division: Shana Kirkland
- Custodial Division: Rod Isaac
- Maintenance Division: Josh Bouthot
- Transportation Division: Stephen Clarke

Your negotiating team is committed to the process and is working hard on your behalf to finalize a deal that is in the best interest of all of our members.

In Solidarity,

CUPE 411 Negotiating Team
