

Coming to a site near you.....

With the start of another school year, this brings with it new staff and at times new challenges. Your elected Union representatives are committed to engaging with members face-to-face in order to ensure accurate information and messaging is being presented and to address any questions or concerns that you may have.

Please see the following schedule to know when and where your Union President, 1st & 2nd Vice Presidents, and Chief Shop Steward will be hosting a meeting at your work site.

Table with 3 columns: Location, Date, and Time. Locations include Promontory Heights Elementary, Cultus Lake Elementary, Transportation Department, Little Mtn Elementary, Robertson Elementary, McCammon Elementary, and Yarrow Elementary. Dates range from November 4 to 14. Times range from 10:15-11:15am to 3:00-3:30pm. A note at the bottom says 'More locations, dates, and times to follow.....'

Last year our Topics of Discussion provided a bit of an overview of members rights and entitlements, this year we hope to expand on some of those conversations and address some very specific areas of interest:

- Health and Safety – Who does what and when? (resource package included)
Job Evaluation / Job Description – What is this and where are we at?
Professional Development & Collaboration – What can we expect to see?
Roles & Responsibilities – Who does what?
Learning Improvement Fund – What is this and how are the monies accessed?

We welcome your input in advance and therefor if you have any burning questions or pressing issues that you would like an immediate answer for please do not hesitate to submit an email to unionoffice@cupe411.ca.
