

## Expression of Interest Notice

December 29, 2021

Do you want to be a part of the planning when it comes to Professional Development for our members?

If so, then we have the perfect opportunity for you!

The *District Learning Committee* is a joint committee that meets three (3) times each school year, which has three (3) seats for CUPE members, two (2) of which are currently held by members of the Executive. We are looking to fill the one (1) vacant seat by a rank-in-file member.

The role of the committee is to bring together a group of district staff, that represent different divisions, to provide suggestions and feedback for staff learning opportunities – typically offered during professional development days or through collabs.

This is an annual appointment in order to give various members an opportunity and experience of being a part of the discussion and planning for professional development opportunities for our members.

Please note that this is a volunteer position if the meetings fall outside of your working hours.

The next committee meeting takes place:  
**Tuesday February 23, 2021\***

Please submit an email to [unionoffice@cupe411.ca](mailto:unionoffice@cupe411.ca) by **Friday January 15, 2021**. In that email, please answer the following two (2) questions:

1. What current experience do you possess that would lend itself nicely to this committee?
2. Why have you chosen to put your name forward to sit on this committee?

All submissions are appreciated and will be reviewed by the CUPE Table Officers. We will follow up with each and every member that expressed an interest in this committee.

In Solidarity,

**CUPE 411 Executive Board**

\*meetings typically take place at the School Board Office, but due to Covid-19 all meetings are via Microsoft Teams until further notice
