

2023 Budget Committee – Expression of Interest Notice

September 8, 2022

Do you like working with numbers, or have always wanted to be involved with the Union but on a limited basis?

If so, then we have the perfect position for you!

Local 411 is looking for five (5) members, preferably one (1) from each division, to volunteer to sit on the 2023 Budget Committee.

These are your Union dues, and we feel you should have a say in how those funds are utilized; therefore, members interested will have an opportunity to express their interest between September 9-15 to have their name considered for one of the seats at this table.

Please submit an email to unionoffice@cupe411.ca and we would ask that you answer the following two (2) questions:

1. *What experience do you possess that would lend itself nicely to this committee?*
2. *Why have you chosen to put your name forward to sit on this committee?*

All the submissions will be reviewed by the Union's Table Officers, and we will follow up with each and every member that expressed an interest in this committee.

The committee will commence September 26, 2022, and will disband by January 22, 2022, or upon approval the budget being approved by the general membership. You can expect to attend anywhere from two (2) to four (4) meetings the duration of which will be determined by the knowledge and scope of understanding of those at the table. Depending on the time and duration of the meetings the Union will provide light refreshments or even a meal(s). All meetings will take place at the Union Office (see below).

The committee will be led by the Union's Treasurer, Wendi Omeasoo and additional support may be provided by a CUPE National Servicing Representative.

The current Executive Board believes in transparency and supporting inclusion in all the required Adhoc committees as we value our member's vision and voice.

In Solidarity,

CUPE 411 Executive Board
