Teri Westerby

Chilliwack School Board Trustee

Forward, Together

- **Safety**
- **Community**
- **Support**
- **Communication**

I know teachers, staff, students and their caregivers are all working hard to create more accessible and inclusive classrooms in Chilliwack but they need more allies.

I commit to amplifying these voices and advocating for the funding, policies and needs of the district so that every student can access their education and not only succeed but thrive!

I am proud to be endorsed by the Chilliwack Teachers Association and the Fraser Valley Labour Council.
